- (a) An employee should endeavor to schedule annual leave at the convenience of the AUTHORITY. The AUTHORITY, subject to the proviso in paragraph (c) below, must approve any leave request of ten days or less per year. Annual leave requested above this level will be granted only if, in the opinion of the employee's supervisor, the operation of the agency will not be adversely affected by approving the leave.
- (b) Earned annual leave allowance shall be taken at a time convenient to the employee's department and only upon the express prior written permission of the Division Director.
- (c) In the event of an emergency as determined by the AUTHORITY, the Vice President of the appropriate department may cancel and reschedule any or all approved vacation leaves in advance of the leave being taken.
- (d) In the event a holiday occurs during the period when an employee is on approved vacation leave, such holiday will be considered as a holiday and shall not be counted as part of the employee's vacation. The employee shall not be eligible for or receive holiday pay and annual leave pay for the same date.
- (e) An employee's annual leave allowance will be charged for any personal business or religious holiday leave.

- (f) Employees are entitled to a 12 week maternity leave. The first 8 weeks shall be chargeable to sick leave and the remaining 4 weeks shall be deemed child care leave which is chargeable to annual leave or to leave without pay at the employee's option. Employees may charge the entire 12 weeks to sick leave when medically necessary and supported by a physician's note.
- (g) Employees are entitled to an approved unpaid child care leave to a maximum of 18 months with an option to extend such leave at the employee's request for another 6 months.
- (h) The annual leave accrual year will run from January 1 through December 31 of each year.

SECTION 4

Employees may carry over from one year to the next, unused annual leave equal to one year of their accrual rate.

SECTION 5

At the end of each calendar year, the SCA will review leave balances remaining on December 31st. Leave days will be carried over to the subsequent year, up to the number of days of the employee's annual accrual rate. Remaining days beyond the amount of this carry-over will be paid in cash; however, such payout will not exceed 15 days of accrued but unused leave per year. Any excess leave beyond this 15-day maximum will be forfeited, except that such excess days may be carried over with the express written permission of the President & CEO, in situations where a workload emergency prevents the employee from being able to take a scheduled vacation.

For example, an employee who earns 25 days per year and has a balance of 45 days on December 31 will be allowed to carry over 25 days to the next year, will be paid in cash for 15 days, and will forfeit 5 days.

Employees hired on or after July 1, 2004 shall be credited with sick leave allowance with pay at the rate of 6.25 hours for each month of service for the first five (5) years of service. At the

beginning of the employees' sixth (6th) year of service, the sick leave allowance with pay rate shall be 7.5 hours for each month of service.

In order to be credited with sick leave in any month, the employee must be on full pay status for at least 15 calendar days in the month.

- (a) Employees working 20 hours or more but less than 37.5 hours per week will accrue sick leave on a pro rata basis.
- (b) The number of sick leave allowance days permitted to accumulate shall be unlimited. Sick leave shall be used in units of a quarter of an hour.

SECTION 2

It is the responsibility of each employee requesting paid sick leave to notify their Division Director or designee.

Employees who are requesting paid sick leave, in accordance with this provision shall notify or cause notification to be made to their Division Director or designee as soon as is reasonably possible. Where someone other than the employee is or has been requested to make the required notification, the employee will be solely responsible for that notification being made to their Division Director or designee.

In the event no sick leave notification is made, the employee's absence is an absence without pay, unless the employee can later substantiate and document that it was impossible to make or cause such notification.

Sick leave notification as outlined above must be made for each workday that paid sick leave is being requested, unless this requirement is expressly waived by the employee's Division Director.

SECTION 3

An employee's annual leave shall be chargeable to sick leave during a period of verified hospitalization. When an employee is seriously disabled but not hospitalized while on annual leave, after the employee submits proof of such disability which is satisfactory to the AUTHORITY, such leave time shall be charged to sick leave first, thereafter, to annual leave.

SECTION 4

- (a) Sick leave shall be used only for personal illness of the employee. Approval of leave is discretionary with the AUTHORITY and proof of illness must be provided by the employee, satisfactory to the AUTHORITY. This discretion will not be exercised in an arbitrary or capricious manner.
- (b) The provisions of subparagraph (a) above notwithstanding, the AUTHORITY may waive requirement of proof of illness unless an employee requests sick leave for more than three (3) consecutive work days. Employees hired on or after July 1, 2004, who request sick

leave for more than three (3) consecutive work days, must provide the SCA proof of illness within five (5) days of the employee's return to work.

- (c) Effective July 1, 2004, employees may use three (3) days per year from their sick leave balances for the care of ill family members. Approval of such leave is discretionary with the SCA and proof of disability must be provided by the employee satisfactory to the SCA within five (5) days of the employee's return to work. For the purposes of this provision, "family members" will include spouse; natural, foster, or stepparent; child, brother, or sister; father-in-law; mother-in-law; any relative residing in the household; and domestic partner, provided such domestic partner is registered pursuant to the terms set forth in the NYC Administrative Code Section 3-240 et seq.

SECTION 5

Employees who have exhausted all earned sick leave and annual leave balances due to personal illness may, at the discretion of the AUTHORITY, be permitted to use unearned sick leave allowance up to the amount earnable in one year of service, chargeable against future earned sick leave.

- (a) All applications submitted under this provision shall contain prominently indicated thereon, the fact that the absence, or part of it, is to be charged against an advance of sick leave allowance. The Division Director shall secure the timekeeper's verification of the attendance date recorded on the application with his/her approval or disapproval indicated thereon to the AUTHORITY.
- (b) After 10 years of combined and continuous AUTHORITY, New York City or New York State service, employees may, at the discretion of the AUTHORITY, be granted sick leave with pay for three months after all credits have been used. In special instances, sick leave with pay may be further extended for one additional three month period with the approval of the AUTHORITY.
- (c) For employees with less than 10 years of service who desire sick leave with pay after all credits have been used, the AUTHORITY may, at its discretion, grant such additional leave.
- (d) The AUTHORITY shall be guided in this matter by the nature and extent of illness and the length and character of service. The AUTHORITY may request and shall receive such medical information and recommendations as it deems necessary to exercise properly its discretion.
- (e) An employee who is on leave without pay for any reason other than illness may not have any portion of this time charged against sick leave allowance.
- (f) The AUTHORITY will not exercise its discretion in these matters in an arbitrary and/or capricious manner.
- (g) Leaves for maternity, paternity, disability or a serious health condition of the employee or a member of the employee's family, as defined by the FMLA, shall be governed by the AUTHORITY's FMLA Policy and/or in accordance with federal, state and/or local laws.

SECTION 6

Employees hired on or after July 1, 2004, who, upon separation from the AUTHORITY, have ten or more years of combined and continuous SCA, NYC/NYS service, will be paid for accumulated sick leave at the rate of one day of payment for every three sick leave days. The maximum allowable paid sick leave shall not exceed 100 work days.

ARTICLE V - BEREAVEMENT LEAVE

Domestic Partner is defined in Mayoral Executive Order No. 48.

SECTION 2

In the event that the death occurs while an employee is on sick or annual leave, the employee's absences may be charged against bereavement leave.

Such written request for a meeting shall include a listing of the items (concerns, questions, topics) to be discussed at the meeting. ARTICLE XXI - GRIEVANCE-ARBITRATION PROCEDURE

SECTION 1

Definition: The term "grievance" shall mean:

- (a) a dispute concerning the application or interpretation of the express terms of the Agreement and those documents expressly incorporated therein.
- (b) a claimed assignment of an employee to duties substantially different from those stated in his/her job description.
- (c) a claimed wrongful disciplinary action taken against an employee covered by Section 4 of this Article.
- (d) a claimed violation, misinterpretation or misapplication of the rules or regulations, written policy or orders of the AUTHORITY affecting terms and conditions of employment.

SECTION 2

The grievance procedure, except grievances as defined in Section 1 (c) shall be as follows:

- (a) An employee may at any time informally discuss with their supervisor a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employee may present the grievance at Step 1.
- (b) All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1 (b), no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged out-of-title work.

Step I - The employee and/or the UNION shall present the grievance in the form of a memorandum to their Division Director no later than 75 days after the date on which the grievance arose. The employee may also request an appointment to discuss the grievance. The Division Director shall take any steps necessary to a proper disposition of the grievance and shall reply in writing by the end of the third work day following the date of submission.

Step II - An appeal from an unsatisfactory determination at Step I shall be presented in writing to the President or the President's designated representative.

The appeal must be made within ten working days of the receipt of the Step I determination. The President or designated representative, if any, shall meet with the employee and/or the UNION for review of the grievance and shall issue a determination in writing by the end of the tenth work day following the date on which the appeal was filed.

Step III - An appeal from an unsatisfactory determination at Step II may be brought solely by the UNION for impartial arbitration within fifteen (15) working days of receipt of the Step II determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The AUTHORITY shall commence such arbitration by serving a Notice of Intent to Arbitrate on the UNION. The costs and fees of arbitration shall be borne equally by the UNION and the AUTHORITY. Adequate notice of the issue(s) to be arbitrated shall be given by the party requesting arbitration.

SECTION 3

- (a) The AUTHORITY and the UNION hereby agree to the establishment of a panel of five (5) permanent arbitrators for the purpose of this Agreement. Following the service of a Notice of Intent to Arbitrate, one of the named arbitrators shall jointly be retained by the parties in order of first availability. It is the responsibility of the party requesting the arbitration to contact the arbitrator regarding availability and to schedule such arbitration in an expeditious manner. After appointment of the arbitrator, the arbitration shall proceed in accordance with the procedures which are hereinafter prescribed. The assigned arbitrator shall hold a hearing at a time and place convenient to the parties. Termination cases shall be given priority in scheduling.
- (b) The parties agree that any dispute concerning administration of the arbitration process, or any request for arbitration which cannot be heard in accordance with the above procedure due to a dispute between the parties, shall be referred jointly to the American Arbitration Association (AAA). All fees and expenses of the AAA and arbitrator shall be borne equally by the parties. The arbitration shall be conducted under the Voluntary Labor Arbitration Rules then prevailing of the AAA.
- (c) Any party wishing for a stenographic record shall make arrangements directly with a stenographer and shall notify the other parties of such arrangements in advance of the hearing. The requesting party or parties shall pay the cost of such record. If such

transcript is agreed by the parties to be, or in appropriate cases determined by the arbitrator to be, the official record of the proceeding, it must be made available to the arbitrator and to the other party for inspection, at a time and place determined by the arbitrator.

- (d) The arbitrator shall act in a judicial, not legislative capacity and shall be without power or authority to recommend to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. Furthermore, the arbitrator shall have no right to order the payment of punitive damages of any kind whatsoever. S/He shall only consider and make a decision with respect to the specific issue submitted, and shall have no authority to make a decision on any other issue not so submitted to him/her. In deciding the case, the arbitrator shall render a written award and a reasonably concise opinion and shall not submit observations or declarations of opinion which are not essential in reaching the decision. In the event the arbitrator finds a violation of the terms of this Agreement, s/he shall fashion an appropriate remedy. The arbitrator shall submit in writing his/her decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to a written extension thereof. The arbitrator shall mail a copy of his/her Opinion and Award to the Senior Director of Human Resources and the UNION. The decision shall be based solely upon his/her interpretation of the meaning or application of this Agreement to the facts of the grievance presented.
- (e) A decision rendered consistent with terms of this Agreement shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the NY Civil Practice Law and Rules.

SECTION 4 - Disciplinary Action

The disciplinary procedure set forth in this Section shall be in lieu of the procedure specified in Section 75 and 76 of the New York State Civil Service Law and shall apply to all persons currently subject to Section 75 and 76 of the New York State Civil Service Law. In addition, this procedure shall apply to provisional employees who have served previously for two years in the same or similar title or related occupational group.

- (a) Grievances relating to a claimed wrongful disciplinary action against an employee shall be subject to and governed by the following procedure:

Step I - Following the service of written charges upon an employee, a conference with such employee shall be held with respect to such charges by the Division Director or designee of his or her Division to review such charges. The employee may be represented at such conference by a representative of the UNION. The Division Director shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the third day following the date of the conference.

Step II - If the employee is not satisfied with the decision in Step I above, he may appeal such decision. The appeal must be within five (5) working days of the receipt of such decision. Such appeal shall be treated as a grievance appeal beginning with Step II of the Grievance Procedure set forth in Section 2.

- (b) Pre-hearing suspension pending the hearing and determination of charges at the Step II level:

An employee may be suspended from duty without pay when the President or designee has determined that the continued presence of the employee on the job may endanger the health or safety of the employee, visitors, AUTHORITY personnel or property. The period of suspension without pay may be for a period not to exceed 30 days.

Disciplinary penalties, if any, shall not be implemented until the issuance of the Step II determination.

- (c) No removal or disciplinary proceeding shall be commenced more than eighteen months after the occurrence of the alleged incompetency or misconduct complained of and described in the charges, provided, however, that such limitation shall not apply where the incompetency or misconduct complained of in the charges would, if proved in a court of appropriate jurisdiction, constitute a crime.

SECTION 5

If a determination satisfactory to the UNION at any level of the Grievance Procedure is not implemented within a reasonable time, the UNION may re-institute the original grievance at STEP II of the Grievance Procedure; or if a satisfactory STEP II determination has not been so implemented, the UNION may institute a grievance concerning such failure to implement at STEP III of the Grievance Procedure.

SECTION 6

If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the AUTHORITY's last answer. If the AUTHORITY exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the UNION may invoke the next step of the procedure, except that only the UNION or AUTHORITY may invoke impartial arbitration under STEP III.

SECTION 7

The AUTHORITY shall notify the UNION in writing of all grievances filed by employees, all grievance meetings, and all determinations. The UNION shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours notice of all grievance meetings.

SECTION 8

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

SECTION 9

A grievance concerning a large number of employees which concerns the claimed misinterpretation, inequitable application, violation, or failure to comply with the provisions of

this Agreement may be filed directly at Step II of the Grievance Procedure. All other individual grievances in process concerning the same issue shall be consolidated with the “group” grievance.

SECTION 10

The Grievance and Arbitration Procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as “grievances” herein. This shall not be interpreted to preclude either party from enforcing the Arbitrator’s award in court.

ARTICLE XXII - RIGHTS TO UNION REPRESENTATION DURING INVESTIGATORY INTERVIEWS

SECTION 1 - Inspector General Interview

- (a) When an employee is summoned to an interview with or at the Office of the Inspector General in connection with a disciplinary proceeding or investigation, except where an emergency is present or where the considerations of confidentiality are involved, the following procedure shall apply:

statement of the reason for the summons shall be attached, except where an emergency is present or considerations of confidentiality are involved.

- (b) Whenever an employee is summoned for an interview or meeting for the record which may lead to disciplinary action, the employee shall be entitled to be accompanied by a union representative or a lawyer, and the employee shall be informed of this right. The UNION and the AUTHORITY recognize that strikes and other forms of work stoppages by employees are contrary to law and public policy. The UNION and the AUTHORITY subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the programs and activities conducted by the AUTHORITY. The UNION therefore agrees that there shall be no strikes, work stoppages, or other concerted refusal to perform work by employees covered by this Agreement nor any instigation thereof.

CIVIL SERVICE TRANSITIONAL ISSUES

December 8, 2004

Mr. Frank Burns
District Council 37, AFSCME, AFL-CIO
125 Barclay Street
New York, N.Y. 10007

Re: Civil Service Transitional Issues

Dear Mr. Burns:

This letter will continue the understanding that the parties reached during the negotiation of this collective bargaining agreement between the New York City School Construction Authority ("AUTHORITY") and DC 37 covering employees in Unit B concerning provisions for the implementation of civil service law with respect to layoffs, and the applicability of disciplinary procedures.

In recognition that the AUTHORITY is in a period of transition toward a system of filling positions where appropriate, through competitive civil service examinations and that many long-term employees currently serve in their positions only provisionally, the parties have agreed that the following provisions will apply during the transition period to employees who are on the payroll on the date of execution of this Agreement, with respect to each title or position in Unit B covered by the collective bargaining agreement.

These provisions shall be effective from the date of the execution of the collective bargaining agreement until such time as initial competitive examinations have been given and appointments have been made for each respective title. The provisions of this side letter shall be subject to review by the parties at the request of either party upon the reopening or expiration of the collective bargaining agreement.

Layoffs

Layoffs will be administered in accordance with New York State Civil Service Law, the Public Authorities Law Section 1737, and shall be subject to the

provisions of Article XVIII of the collective bargaining agreement. However, where positions are abolished or reduced prior to the date that initial examinations have been given and permanent appointments are made with respect to any title or position in Unit B covered by the collective bargaining agreement, incumbents holding the same or similar positions who are serving in their positions only provisionally shall be suspended or demoted, as the case may be, prior to the suspension or demotion of any incumbents who are serving in their positions permanently. Additionally, incumbents serving in positions provisionally shall be suspended or demoted, as the case may be, in inverse order of seniority measured from their first date of employment with the AUTHORITY.

Once initial examinations have been given and permanent appointments are made in a particular title, any necessary abolition or reduction in positions will be administered according to Civil Service Law and the Public Authorities Law.

A union-management committee shall be established to review and resolve technical problems concerning procedures, consistent with applicable law, which may be utilized if layoffs occur.

Disciplinary Procedures

Employees who have been appointed to a position from a civil service list and who have already served in the same title for 12 months at the time of their appointment will, upon appointment from the list, be subject to a probationary period, as provided in the SCA Civil Service Rules; however, such employees have the right to utilize disciplinary due process rights provided by Section 4, Article XX of this Agreement.

In addition, employees who have served in a particular title provisionally for more than one year but less than two years at the time of the execution of the collective bargaining agreement shall have the right to utilize the disciplinary due process rights provided by Section 4, Article XX of this Agreement.

The transitional layoff procedures, including the calculation of seniority, and disciplinary due process rights described above do not apply to the removal of provisionals as a result of action of a civil service list. Once an exam has been given, these transitional layoff procedures including the calculation of seniority and disciplinary due process rights expire and do not carry over to any subsequent provisional appointment either in the same or another title.

Sincerely,

William H. Goldstein
President & CEO
