Fred Gibson of DoITT wanted to know if a member can appeal a second time after he or she receives an unsatisfactory result from an initial appeal. Ms. Terrelonge said that a member is only allowed 1 appeal. Terry Dunne of CUNY asked if there were any statistics for CUNY exam lists. 1<sup>st</sup> Vice President Robert Ajaye said that he gets a copy of the CUNY civil service exam list statistics since he is a member of the CUNY labor/management committee. Members should see him to get that information. Members wanted to know the length of time that a list can stay active before it expires. Ms. Terrelonge said that the life of a list is usually 1 year but it is extended each year up to 4 years and at this point they have been extending to 5 years. There were no further questions. 1<sup>st</sup> Vice President Ajaye then thanked Ms. Terrelonge for her report.

Robert Ajaye introduced DC 37 representative Raul Martinez who is replacing Marianella Santana. He will be representing members in DOH, HHC, and DEP.

Transit Authority bargaining starts March 27<sup>th</sup>. Two other bargaining sessions have been scheduled for April 10<sup>th</sup> and April 24<sup>th</sup>.

CUNY bargaining started on February 20<sup>th</sup>, 2007. This initial meeting was just an introductory session. Neither side has come forth with any demands as of yet.

DC 37 representative Lisa Riccio talked about City-time and hand-scanning. She said that members at DOF and the Dept. of Aging were given a choice of using either city-time or the hand-scan system. There are still a lot of problems associated with the system. The Office of Labor Relations will be meeting with all city agencies concerning the new automated time systems.

Summer Camp registration starts in April. The details will be outlined in the upcoming issue of the PEP.

1<sup>st</sup> Vice President Robert Ajaye said that Local 2627 held its 1<sup>st</sup> Annual Women's History Month Celebration on March 9<sup>th</sup>. He thanked all the members of the committee for a successful program. Cynthia Perkins served as chair of the committee. The guest speaker was New York State Labor Commissioner Patricia Smith.

Local 2627 will be getting an additional 200 members over the next year due to CUNY's revamping of their system which will require additional hiring. Robert Ajaye also stated that computer titles in the Educational Opportunity Centers would be moving over to Local 2627.

CUNY is looking to institute an on-line union member registration system which would be more efficient than the present system. This on-line system would replace the green membership cards that are currently used to register members.

1<sup>st</sup> Vice President Ajaye reported that CUNY has invalidated one of their exams. He said CUNY threw out its Information Aide exam when they realized that incumbents were scoring lower than people who never performed Information Aide work. Also it was reported that members who took higher title exams in addition to the Information Aide test, scored better on the higher title exams than they did on the Information Aide exam. The Information Aide exam appeared to be much more difficult than exams for the higher titles. For that reason CUNY will be giving a new test for Information Aide in May. Prep classes will be offered by CUNY to anyone who took the exam. Robert Ajaye said that in addition to this, the Local will be offering a Prep course for members.

Treasurer Bruce Heigh said that the PEP reported that members can set-up their own web portal at member.innoviant.com in order to see their individual prescriptions for an entire year with all co-payment information. He said it was fairly easy to set-up.

The Residency Bill is stuck in the City Council. This has an impact on our Local because some of our titles are not residency exempt.

The Lobby Institute will be held on Saturday, April 21<sup>st</sup>. The institute will teach members how to lobby effectively. DC 37 Lobby Day will be held on Tuesday, May 8<sup>th</sup>. Peter Jablin urged members to call their council members about supporting the residency bill.

**Unfinished Business:**

Dana Hudes of HRA said that he volunteered for the Salary Review Committee in the Fall of 2006 and has since then been doing research and compiling salary data for the Computer Specialist (SW) title and levels. He said that he has collected a few hundred pages of raw data that needs to be sorted out by title level. He is waiting for the committee to meet to help put a report together. He said that at this time nothing is moving forward on this matter.

2<sup>nd</sup> Vice President Gary Goff said that committee members will be contacted tomorrow or the day after to set-up a meeting.

**New Business:**

Fred Gibson of DoITT wanted to know if there was any information available on the situation at DoITT concerning the merging of the Help Desk with the Network Command Center and the resulting impact on our members. Robert Ajaye said that he will check with President Ed Hysyk about this issue at DoITT.

Dana Hudes of HRA said that he would be willing to teach a crash course in UNIX for members who are interested in taking the UNIX certification exam. Education Chair Robert Ajaye said that he would like to meet with Dana to discuss the details of his proposal.

A member from the Department of Homeless Services reported that his agency purchased devices that track their employees' whereabouts. He wanted to know the Local's position on this issue. Gary Goff said that the Local would run this issue by the DC 37 Research & Negotiations department for advisement.

**Good & Welfare:**

President Ed Hysyk is at home recuperating and will be back in the office soon.

The mother of Tina Nikitiades (HRA) passed away.

Robert Fishburne made a motion to adjourn the meeting. Terry Dunne seconded the motion and it passed. The meeting was adjourned at 7:12 p.m.

Respectfully Submitted,

Cody Childs  
Secretary
