40 • **Presidents Report**

41 Newly elected City Council Member Kallos is a friend of Local 2627 he has reached out to us and
42 met with us to discuss things that affect our local. We have meetings scheduled with the
43 Commissioner of DCAS to discuss tests for our members as well expiring lists. There have been
44 problems at HHC Jacoby Hospital. Two of our members at Jacoby Hospital are Telecom
45 Associate (Provisionals) and scored 100% on the test. They are 11, and 33 on the list. People as
46 high as 161 have been called from the list but since these people work at HHC they are not being
47 called. HHC does not have to use the list, we are currently working towards a resolution. Our
48 members are not taking advantage of promotion opportunities because they are lazy; we need
49 to do what is necessary to get promotions. We need to train so we can get the jobs that are
50 going to consultants. We need to all be like the members of HRA who stick together in
51 solidarity.
