**Local 2627**  
**District Council 37**  
**AFSCME AFL-CIO**  
**Virtual General Membership Meeting**  
**November 17, 2020**

**Minutes**

**Treasurers Report**

**Presidents Report**

**Old / New Business**

President Morand called the meeting to order at 6:27P.M. There was a quorum. Due to the virtual check in process the meeting started a little later than expected.

**Minutes**

Brother Mohammad Chowdhury made a motion to accept the September 21, 2020 minutes. Brother Cody Childs seconded. A vote was taken. The minutes were approved.

**Treasurers Report**

Brother George Villegas made a motion to accept the Treasurers reports. Sister Andera Simon seconded. Brother Kellam reported on August 2020, September 2020, and the 9 Month YTD. A vote was taken and the motion was passed.

Brother Kellam stated that the accountant is still dealing with the IRS issue and there is no news to report on this.

**President's Report**

President Morand reported that there is a 2<sup>nd</sup> Bargaining with School Construction Authority. The bargaining is going well. The Local is waiting for dates for the members to get paid out. They are also looking into other demands as well.

President Morand mentioned that there are a lot of Civil Service Exams coming up. She provided the list in the chat for the members to copy. All members can go to the DCAS website and look up the exams there as well.

The upcoming exams posted in the chat were copied and pasted at the end of the minutes.

President Morand is in discussion with the DC37 Education Fund for providing prep classes. Some will be given through DC37 and some will be given through the Local by President Morand or Sister Leibowitz. Nothing can be done until the Local sees the Notice of Exam. President Morand encouraged everyone to sign up for the e-alerts.

President Morand stated that layoffs have been avoided and that the members should be safe until 2021. This was achieved because DC37 agreed that there would be no payments into the Health and Safety fund for a year. This is like an interest free loan. The City will make double payments the next year. No medical benefits will be affected by this agreement.

37 President Morand read and responded to questions the members posted via the chat feature.  
38 Some of the responses are listed below.

39 CUNY has not given exams in a long time. There are many Provisionals that are at risk due to no  
40 fault of their own. The Local is going to sue CUNY for not providing exams.

41 President Morand discussed the Early Retirement Incentive. The Mayor and the Governor  
42 support this. The sponsor of this bill lost his election. It can still pass when the Senate is back in  
43 session. It is possible to pass in December. There are no dates mentioned yet. President  
44 Morand stated it does include NYPD Civilians but not police officers. It also does not include  
45 25/55, firefighters and HHC.

46 The Local is talking to all the individual Colleges in CUNY regarding their individual plans. The  
47 Everbridge app that CUNY uses is an issue. If a typo is made, the member banned from entering  
48 the bldg. This app is regarding COVID questions and if an employee makes an error there is no  
49 ability to fix it. The member can be forced to use their time. There is a Labor Management  
50 meeting Wednesday 11/18/20. It is possible that this issue may go to court.

51 There was a NYPD Labor Management meeting. Members are being assigned rotating weeks.  
52 The NYPD also cut back civilian overtime by changing members hours. This is a contractual  
53 violation. This is being worked on.

54 President Morand discussed the CSMs coming to the Local. She asked the members to reach  
55 out to any of them to make sure that they signed a membership card.

56 President Morand stated the Union is fighting to make sure their jobs are protected.

57 Cyber Security Analyst title will be coming into the Local on 1/3/21. There are about 30 members  
58 in DOITT and NYPD.

59 There is no longer DC37 Dental. The new dental plan is Delta Dental. The benefits are similar  
60 but there are many more dentists available. Members should go to the DC37 Website and enroll.  
61 It is under the benefits link.

62 **Old Business – None**

63 **New Business – None**

64 Brother Ron Dillon made a motion to adjourn. Brother George Villegas seconded. A vote was  
65 taken, and the motion passed. The meeting was adjourned at 7:19 pm.
